"Working Together"

Coming together is a beginning
Keeping together is progress
Working together is success

ABOUT THIS REPORT

This Annual Report provides a comprehensive overview of the services delivered by the Queensland Canoeing State Sporting Association to the Queensland Canoeing Affiliated Clubs and the broader community.

The information contained in this report is taken from a variety of sources and from information gathered through our internal governance structure, including the QC Board, Technical Committees and the Executive Officer and staff.

The report is designed to provide the stakeholders and the general public with concise information about our objectives, strategies and performance during the past year, compared to the objectives established through our strategic planning processes for 2004 – 2007. In addition, the report outlines our service delivery objectives, strategies and priorities for the coming year.

QC incorporates the technical areas of Marathon and Sprint Racing, Education, Canoe Polo, Recreation and Slalom. This report is structured to reflect these Technical Committees responsibility and achievements throughout 2005.

Following the Queensland Canoeing Special Meeting on 17th May 2004 to adopt changes to the Constitution in line with the Australian Canoeing Constitution, the change in the Governance structures came into place. This new structure allows a more streamlined process and ability for the QC Board to undertake their responsibilities. The previous Standing Committees have now become Technical Committees, with the Marathon and Sprint Standing Committees coming together as a Racing Technical Committee. These Committees report to the QC Board of Directors.

This report reflects our performance across these Technical Committees and demonstrates our continued commitment to responding to the needs of Affiliated Clubs and canoeing and kayaking to the Queensland communities.

Clubs are living in an environment of continual and rapid change and are demanding better and more integrated services from QC. One of the challenges for the Association is to seek new and innovative ways to respond to the different demands created by that change, to listen to what people want, and improve services to meet an increasing range of community needs. This can only be achieved if all parties are working together for the common goal. Communication needs to be a two way street within a positive environment.

The board, technical committees and staff look forward to working with affiliated clubs and key stakeholders in 2007.

EXECUTIVE OFFICER S REPORT

Since my appointment to the role officially from May 2006, following a short term in a caretaking capacity, we have achieved a great deal. The fundamental operations and function of the office have seen some major changes in the way we interact with our clients. Most of you will have felt or heard this in some way and I hope we have influence over the balance in the very near future.

We are fortunate to have a wonderful product and service at our disposal, which is widely accepted by the community and ever increasing in the numbers of participants. We have worked very hard in the 7 months to increase the opportunities for the community to interact with our organisation and with the clubs in this state.

My time also coincided with the Australian Sports Commission (ASC) consultations and initial report into the affairs of Australian Canoeing. This was timely and welcomed by most of the canoeing fraternity. From this report and an increased consultation by the ASC, the State EO's and Boards, in partnership with the Interim Board of Australian Canoeing (AC) have begun the arduous task of restructuring the organisation. This will ensure the long term viability and financial capability of the peak body.

This process is expected to take several years and a model of governance has been described as a hybrid of a Federated and Unitary structure. Most of all the sharing of knowledge and information between the state canoeing offices is amazing and unprecedented.

The progression has highlighted the very strong and forward thinking position Queensland Canoeing is in. We consistently offer a far greater level of services and benefits to members. We have far greater contact with the members and the community. We have far greater numbers of relationships and partnerships with Councils and private organisation. We are also at the forefront of the development and use of the Website as a tool to communicate for the clubs and this organisation. We also contribute a great deal to the Canoe Education sector influencing the delivery and syllabi across Australia. This year several courses were cancelled due to weather conditions, low water and some lower numbers booked. This has been addressed for 2007.

We immediately introduced measures to reduce the deficit of 2005 from $30,000, now standing at $14862.00. Although this is not as low as I would have liked, we have reduced expenditure significantly, increased income in some key areas and have addressed the balance of income shortfalls for 2007. Refer to the finance area of the report for a more detailed breakdown of the performance and

the operational costs. This will see the operations in surplus by the close of business in 2007 and offer far more opportunities to support the many and growing facets of canoeing in Queensland.

With the expansion of community activities and increases in education programs, we have a great deal of opportunities to increase the number of people who choose to be members of clubs. In addition, with the increased activities in Canoe Polo, Ocean Racing and Surf Kayaking, we have a busy year ahead of us encouraging and assisting clubs to develop the market potential they have.

Congratulations to every athlete who was selected in 2006 for state, national and international competition. We applaud the efforts you have made and the personal achievements you have gained from the experience.

We have a particularly strong and dedicated group of juniors with great coaches and supportive parents coming through the system. 2007 will see many more opportunities for these young people to have the pathway managed and assisted in cooperation with the squad coaches and clubs.

For every volunteer who has assisted throughout 2006, I have nothing but the greatest of admiration of you and the contribution you have made to canoeing in this state.

At this point I pay tribute to an amazing group of people I have the pleasure of working beside.

Rachel Thomas – Administration and Marketing, for tireless work on almost everything at Queensland Canoeing. More thanks needs to come from the clubs for the work this lady does every day.

Kristen Buckby – The Events and Community Programs Co-ordinator, for juggling a diverse amount of work and managing the community programs in such a fine way. Thanks to her this has developed into a major source of income for Queensland Canoeing.

John McDonald – Education Officer, for continuing to provide access to Education programs throughout the state and for placing his renovation on hold for so long. John resigned from Queensland Canoeing at the end of 2006 and we wish him the best at completing his project. John continues to act as a facilitator of courses for Queensland Canoeing.

ORGANISATION HISTORY

Queensland Canoeing Incorporated (QC) formally began as a result of many paddlers wishing to represent their own state in competitions. It grew from an active, largely recreational base and the 'Queensland Canoe Club' that existed in the 1930's, 40's and 50's until receiving incorporation in 1964.

The average age of paddlers was between the 25-44 age groups and the highest percentage of members falling into the 45-64 age brackets. The percentage of the 0-14 and 65+ aged members in canoeing is low when compared to the general population of Queensland.

In 2006 QC has undergone a period of major positive change in its operating structure. During this time QC has implemented strategies from the AC National Framework, including a National acceptance of a National Strategic Plan, Governance structures to assist the sport to proceed forward within the National Framework.

Strategies have also been implemented from the Strategic Forums conducted annually and the "Participation Trends and Membership Surveys" to develop canoeing throughout Queensland in partnership with its members. These have been reviewed and implemented more effectively.

ABOUT US

VISION

Queensland Canoeing wishes to ensure Canoeing and Kayaking is recognised by the wider community as a competitive and recreational activity suitable to all.

MISSION STATEMENT

Queensland Canoeing is the state body responsible for the management, coordination, development and promotion of canoeing and kayaking clubs and the Queensland Board of Canoe Education registered Instructors.

OBJECTS OF THE ASSOCIATION

The Association is the peak body for the administration of Canoeing in Queensland. The objects for which the Association is established and maintained are to:

a) Promote and develop competitive and recreational Canoeing;
b) Unite the recognised canoe organisations of Queensland by encouraging them to become members of the Association;
c) Issue rules and regulations to be followed in state competitions;
d) Arrange for state championships and the selection of state teams and training squads;
e) Recognise Canoeing values and the implications on Canoeing in recreational and natural resource planning and management;
f) Be a means of liaison between Affiliated Clubs and/or other external organisations;
g) Represent and promote the interests of Members to Australian Canoeing and/or other external organisations;
h) Pursue high standards of safety, education and training in all aspects of Canoeing

LIFE MEMBERS

1981	Sally Anne Gardner		Indooroopilly CC - Service to the sport of canoeing in Qld
	Gary Gardner (OAM)	(dec)	Indooroopilly CC- Service to the sport of canoeing in Qld
	Julie Robertson		Logan CC - Service to the sport of canoeing in Qld
1997	Keith Bromham		Maryborough CC - Service to the sport of canoeing in Qld
1998	Gary Innes		Wynnum Redlands CC - Service to education and general
	Bernie Dobe		Tinaroo CC - Service to education and canoeing in general.
1999	Digby Huffam		Wynnum Redlands CC - Service to the sport of canoeing in Qld
2000	Lenore Solomon		Ipswich District CC - Service to the sport of canoe polo in Qld
2001	Craig Humbley		Frogs Hollow CC - Service to the sport of canoeing in Qld
	Keith Hemmings		Service to the sport of canoeing in Qld
2004	Ian Muir		Indooroopilly CC - Service to the sport of canoeing in Qld
	Myra Holmes		Nerang CC - Service to the sport of canoeing in Qld

QC AWARDS 2006

The 2006 Queensland Canoeing Awards Dinner was held on Saturday night the 19th August at the Yeronga Services Club. The awards are to recognise achievements and contributions of Qld Canoeing members and Qld Canoeing affiliates, the Annual Awards provides recognition for those who have made a significant contribution to the sport. The winners were:

- **Canoeist of the Year** — **Lani Belcher - Indooroopilly Canoe Club Inc**
- **Junior Canoeist of the Year** — **Bernadette Wallace – Currumbin Creek Canoe Club Inc**
- **Masters Canoeist of the Year** — **John Newton – Currumbin Creek Canoe Club Inc**
- **Coach of the Year** — **Erin O'Keeffe – Lourdes Hill College Canoe Club Inc**
- **Volunteer of the Year** — **Jerry Dunn – Newport Waters Canoe Club Inc.**

Queensland Canoeing would like to thank everyone who nominated, was nominated and attended the awards dinner and supported a fellow paddler and our wonderful sport. We would also like to thank our sponsors for making the evening much more valuable by sponsoring an award and providing amazing prizes for the evening.

The following people were lucky to take home:

- Colin Bartlem (Fitzroy Canoe Club) and Norm Oldham (Sandgate Canoe Club) took home 2 Nights Accommodation from **Best Western Australia**
- Tony Bowman (Townsville Canoe Club) took home a brand new Mountain Bike from **Anaconda Adventure Stores**
- Rod Stanley and Bev Hartl (Wynnum Redlands Canoe Club) took home dinner for two from **Yeronga Services Club**
- Paul Gardner (Indooroopilly Canoe Club) took home a Pre Paid Mobile Phone Package from **Mobile Phone Supastore**

Coach of the Year – Erin O'Keeffe

Canoeist of the Year – Lani Belcher

KEY STAKEHOLDERS

Queensland Canoeing had 29 affiliated canoeing and kayaking clubs affiliated for 2006 they were:

- Beaudesert Canoe Club
- Brisbane Canoeing
- Broken Paddle Canoe Club
- Centenary Canoeing and Rowing Club
- Currumbin Creek Canoe Club
- Fitzroy Canoe Club
- Gold Coast Kayak and Canoe Club
- Greater Logan Canoe Club
- Indooroopilly Canoe Club
- Ipswich District Canoe Club
- Karana District Kayak and Canoe Club
- Kawana Waters Canoe Club
- Lourdes Hill College Canoe Club
- Mackay Canoe Club
- Maryborough Canoe Club
- Nerang River Canoe Club
- Newport Waters Canoe Club
- North West Canoe Club
- Qld Sea Kayak Club
- Sandgate Canoe Club
- Springfield Lakes Canoeing
- Sunshine Coast Canoe Club
- Surfers Paradise Kayak and Canoe Club
- Tinaroo Canoe Club
- Townsville Canoe Club
- University of Qld Canoe Club
- Wallaby River Rats Canoe Club
- West End Canoe Club
- Wynnum Redlands Canoe Club

- Australian Sports Commission
- Qld Academy of Sport
- Sport & Recreation Qld
- Local & State Governments
- Educational Institutions
- Australian Canoeing Inc
- Employees
- Affiliated Clubs
- AC Members
- Coaches, Officials
- Instructors, Volunteers
- Media
- Canoeing Distributors
- Retail Outlets

RACING TECHNICAL COMMITTEE

Throughout 2006 there has been no Flatwater and Marathon Racing Technical Committee. With the valued assistance of the Queensland Canoeing office staff, Ian Muir and the input from others progress was made in a number of areas for flatwater and marathon canoeing disciplines.

Strategies

The format of the 2006 Racing Calendar was well accepted. Many clubs have been able to implement the calendar into their training schedules and run other programs in conjunction with the calendar. To expand on this, events must also achieve a high quality so as to maintain and attract new participants.

The Selection Criteria for the 2007 Queensland Canoe Marathon Team was changed to reflect athletes' commitment. Potential Queensland team members must treat representative status with the respect and knowledge that it is an honour and privilege and not a given. Team membership must be earned this is not too much to ask. A number of benefits are currently being explored for team members including possible sponsorship.

Five new marathon officials were welcomed on board in 2006. I encourage these officials to expand on the knowledge they have learnt and put it into practice. A database of marathon officials is slowly being compiled with the objective of contacting officials on a regular basis for a number of reasons. That could be assistance at events, advise of rule changes or matters that impact on officials.

Recognition

I acknowledge and congratulate those members of Queensland Canoeing who gained selection in either a State or National Team (see lists elsewhere). These members can be proud of their achievements.

Special mention of Erin O'Keeffe and Lani Belcher; both were chosen to represent Australia at the ICF World Canoe Marathon Championships in France in September 2006. Lani surprised herself with a silver medal in the Junior Women K1, an extraordinary effort as she has a year remaining in the junior ranks.

I would like to thank the Karana District Kayak and Canoe Club for hosting the Queensland Schools Canoe Marathon Championships and an event they will host again in 2007. Thanks also to the Currumbin Creek Canoe Club for hosting the 2006 Queensland Canoe Marathon Championships. Without the commitment and support of these clubs these events would not be possible. The future of events like these is in jeopardy unless clubs are willing to fill the role of host club.

A number of clubs continue to develop and foster juniors through a variety of programs. Special mention of Brisbane Canoeing who has a number of 'guppy' kayaks for their young members. These craft are great for the

young ones as they are very stable providing much needed on water confidence. Other clubs could consider these craft for any programs they are considering for juniors.

2007

Proactive promotion of our sport is still one of the major goals. Promotion of our sport ultimately increases club membership and participation at club and state events. All levels within the Queensland Canoeing structure are responsible for promoting the sport.

Clubs need to consider events that are simple and easy to host. Make the courses simple and volunteer efficient. Events should be easy to run and easy to organise and not a chore.

Another marathon official's course will be held in 2007. A date has not yet been determined but this will depend on the interest and demand from the clubs. I encourage clubs to consider sponsoring their members to obtain this level of accreditation.

I would like to thank those who have provided much appreciated assistance throughout 2006. This includes all the clubs that hosted events and those who offered to host events on behalf of Queensland Canoeing; Cameron Fairlie as a last minute volunteer as Team Manager for the 2006 Queensland Canoe Marathon Team; Robin Belcher, Paul O'Keeffe and Grant Cook for their assistance with the marathon official's course; Erin for her input with the planned training days in 2007; all clubs who hosted or assisted with events; and all who have volunteered their time to officiate at events, tow trailers or any other role. It was pleasing to see Gary and Vicki Pickering assisting at the 2006 Queensland Canoe Marathon Championships after a short absence. Thanks also to Tony White for filling the role of Chief Official at this championships.

There have been some changes to the marathon racing rules and I encourage members to read both the ICF and Australian Canoeing Marathon Racing rules and be familiar with these for when they compete. The most recent change is the no minimum width for TK craft.

Throughout 2007 planning will commence for the 2009 Australian Canoe Marathon Championships that will be hosted by Queensland. A number of potential courses have been identified from the Sunshine Coast to the Gold Coast. These will be evaluated before a final decision is made.

In closing, I would like to encourage clubs to volunteer to host events; you will not be left to your own devices. I would also like to encourage clubs to be forward thinking in their planning. A draft 2008 calendar is now available.

Junior Women - Lani Belcher

Lani Belcher – Silver Medal - 2006 World Marathon Championships

AUSTRALIAN YOUTH OLYMPICS FESTIVAL

Lani Belcher teamed up with Louise Davies, Lauren Smith and Jo Bridgen-Jones to take the K4 1000m Bronze medal at the Youth Olympic Festival in Sydney.

The girls were quietly confident of winning a medal throughout the day and after seeing the strong performances from fellow team members, it was enough to give them the extra edge over Team USA, Japan and New Zealand. They trailed the powerful Chinese and Hungarian crews all through the race and were extremely delighted with their medal.

Queenslanders Dane Wilkinson and Nikki Rutland won Gold in the K1 1000m beating a very fancy field. Dane managed to upset American Patrick Dolan who led the entire way with about 20m to go. Dane's timing was superb and finished in an amazing time of 3.39.37.

Earlier on in the day, Lani had contested the K1 & K2 1000m heats and finals and the medal was a great way to cap off a big program. Although Belcher had finished 7th in her K1 Final, five girls ahead of her are now open paddlers. Wallace and Belcher almost upset fellow Australian Team members Nikki Rutland and Louise Davies in the K2 1000m final by finishing 4th behind them by a quarter of a second.

Medal Results

- LK4 500m 1st China, 2nd Hungary 3rd Australia (Brigden-Jones, Rutland, Davies, Wallace)
- K1 500m 1st United States, 2nd Australia (Hayden Boon), 3rd Hungary
- K2 500m 1st Hungary, 2nd Japan, 3rd Australia (Dunstan, Thomson)
- LK1 1000m 1st Australia (Nikki Rutland), 2nd Great Britain, 3rd Hungary

- LK4 1000m 1st China, 2nd Hungary , 3rd Australia (Belcher, Smith, Davies, Bridgen-Jones)

JUNIOR WORLD TEAM

Three U16 boys from Indooroopilly Canoe Club were selected to attend the European trip. The paddlers were Michael Beaver, Matthew Arvier and James Cornish. The purpose of the trip was to give young athletes exposure to international competition at a friendly level in Europe. It also gives the athletes an opportunity to meet and train with other athletes their age. It also gave the coach Kevin Crisp international experience.

The boys were very competitive against others in their age group making it a very successful tour. In total the boys returned to Australia with 18 medals (7 Gold, 2 Silver and 8 Bronze). They also had much needed assistance from the local canoe clubs who helped with boats and in some cases accommodation.

Coach Kevin Crisp says all medals aside, the experience is something they could never hope to get here in Australia and our sport can only gain from it.

PEPPERTOWN BRISBANE VALLEY 100 CANOE RACE

2006 saw the Peppertown Brisbane Valley 100 Canoe Race celebrates its 30th year. Over $10,000 was raised for Camp Quality from the 120 paddlers that took to the water. A great organizing committee and hard working volunteers ensured the race was again a success.

2007 is set to be another great race with the major sponsor Peppertown announcing and offering prize money to the value of $3000 to the paddlers.

Thanks to everyone involved in this great annual fundraising event. A special mention to Peppertown, Camp Quality, Ipswich City Council, Wishart Scout Group, Life Be In It and of course the committees, volunteers and paddlers.

Notes To And Forming Part Of The Financial Statements
For The Year Ended 31 December 2006

Note 1 Accounting Policies

The Financial report has been prepared as a special purpose financial report for use of the Members of the Association and to satisfy the financial reporting requirements of the Associations' Incorporations Act (Qld). The Committee has determined the Association is not a reporting entity.

The Financial Statements have been prepared on an accrual basis of accounting and in accordance with the historical cost convention and the going concern assumption. Policies applied in 2006 are consistent with those adopted in the previous year.

Any assets of material value purchased during the year have been capitalised at year end while other assets have been recorded as an expense.

Assets have been revalued or depreciation charged in the accounts to bring the value of all assets on hand at year end to estimated current realisable value.

The following specific accounting policies, have been adopted in the preparation of the financial report.

(a) Income Tax

The Association is exempt from Income Tax.

Grants provided in 2005 or previous years had not been utilised at 31 December 2006

Note 16 Prepaid Membership - $9896.13

Membership fees received in 2006 which were for 2007.

STATEMENT BY OFFICERS

FOR YEAR ENDED 31 DECEMBER 2006

The Association is not a reporting entity because of, in the office bearers' opinion there is unlikely to exist users who are able to command the preparation of reports tailored so as to satisfy specifically all their information needs. These accounts are, therefore, a "Special Purpose Financial Report" and have been prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

As the Association does not fall within the definition of a Reporting Entity, not all accounting standards have mandatory applicability.

In our opinion –

(a) The accompanying balance sheet, statement of Income and Expenditure and Notes thereto are properly drawn up so as to give a true and fair view of the financial affairs of Queensland Canoeing Incorporated for the year ended 31 December 2006.

(b) There are reasonable grounds to believe the Queensland Canoeing Incorporated will be able to pay its debts as and when they fall due.

J Hockam

(Acting)
President

M Priestley

Executive Officer

AUDITOR'S REPORT

TO THE MEMBERS OF THE QUEENSLAND CANOEING INCORPORATED

Scope

I have audited the financial report of Queensland Canoeing Incorporated for the year ended 31 December 2006 as set out on pages 1 to 10. The elected committee of the Association is responsible for the preparation and presentation of the financial report and the information contained therein. I have conducted an independent audit of the financial report in order to express an opinion on it to members of the Association.

My audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amount and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. The procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly in accordance with Australian accounting standards and the provisions of the Associations Incorporation's Act of Queensland so as to present a view which is consistent with my understanding of the financial position of the Association, the result of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Qualification

It is not practical for the organization to maintain an effective system of internal control over cash receiving activities until their initial entry in the accounting records. Accordingly my audit in relation to these activities is restricted to the amounts recorded as income.

Audit Opinion

In my opinion, subject to the effects of the qualification the financial report presents fairly the financial position of Queensland Canoeing Incorporated as at 31 December 2006 and the results of its operations for the year then ended in accordance with applicable Accounting Standards, and with the provisions of the Associations Incorporation Act (Queensland).

CRITICAL SUCCESS FACTORS – 2005 - 2007

Our major role over is to consolidate the operations of the state body and to implement strategies to assist affiliated clubs throughout Queensland to manage all levels of participation.

The most significant issues for the organisation are:

- ☑ Communication to clubs and individuals members;
- ☑ Financial viability/independence;
- ☑ The need for increased assistance/education to clubs on governance, volunteer recruitment
- ☑ Increased participation through activities/programs;
- ☑ The need for an increased profile of canoeing/kayaking;
- ☑ Partnering with other sports to offer multi-sports events;
- ☑ Professional development for staff.

2005-2007

KEY RESULT AREA (KRA) 1: COMMUNICATION

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
To improve communications and working relationships with canoeing organisations.	• Queensland Canoeing Staff visited, assisted and supported 22 clubs in 2006. With a combination of personal visits, letters of support, web assistance and event support, we have increased the level of communication to members • Queensland Canoeing staff attended the National Flatwater Championships, The State Flatwater Championships, the State Marathon Championships, Canoe Polo events, Club events. • A Newsletter was published averaging each 3 weeks, outlining activities and items of interest for the state and nationally • Queensland Canoeing have played an integral role in the redevelopment and restructure of Australian Canoeing. We have visited meetings in both NSW and VIC on four occasions during 2006 • Queensland Canoeing prides itself in having the largest take up of the AC/QC website template. This has been achieved through the great deal of support and training from Rachel Thomas.
Represent canoeing with relevant government agencies, industry bodies and other supporting organisations.	• Queensland Canoeing are members of The Queensland Olympic Council, Sports Federation of Queensland, Queensland Outdoor Recreation Federation and sit on the Queensland Academy of Sport Joint Management Committee. Each meeting has been attended by the Executive Officer or representative

	• We have increased our contact with Industry retailers including, Anaconda, Rosco's, River City Kayaks, Peppertown, Adventure Outlet and Aussie Sea Kayaks. • We have formed partnerships with Travelworld, Best Western, Mobile Phone Supastore, Anaconda, Stick Protection Technology • Queensland Canoeing have expanded the relationships with local government agencies including Brisbane City Council, Pine Rivers Shire Council, Gold Coast City Council, Ipswich City Council, Caloundra City Council, Maroochy Shire Council and Redlands Shire Council • Queensland Canoeing continues to conduct community and junior programs for Currimundi Junior Camp, Tallebudgera Camp.
To develop sustainable partnerships with other paddling organisations.	• The formation of an amalgamation with the Outrigger Association was stalled following the sad passing of the key partner in this organisation. This has now commenced informally again. • Queensland Canoeing has achieved sponsorship support through the partnerships formed with organisations. These have included assistance from Anaconda, Travelworld, Best Western, Mobile Phone Supastore, Stick Protection Technology, Peppertown, JT Press,
KEY RESULT AREA (KRA) 2:	**CLUB DEVELOPMENT**
WHAT WE SAID WE WOULD DO -	**WHAT WE DID DO AND WILL CONTINUE TO DO -**
Assist and support clubs in providing efficient and effective practices to enhance viability and services to members.	• Over half the clubs have created dedicated websites linked to the national network. Half of these clubs actively operate the data base. • A Club Constitution template has been developed and presented. This has been held over for implementation on the advice of Queensland Canoeing awaiting the structure of Governance of Australian Canoeing • Created more member benefits • New insurance policy and coverage • Enhanced / streamlined membership application form
To increase overall memberships of affiliated clubs.	• Queensland Canoeing assisted with the rescue and continuance of the Maryborough Canoe Club. • We have maintained a club base of 29 and 1100 members. • Queensland Canoeing have begun the establishment of Canoe Polo dedicated clubs through links with schools and clubs • Queensland Canoeing have begun the support of Ocean Racing with the first dedicated club to affiliate in 2007 • Queensland Canoeing have developed partnerships with organisation in order to provide an increased package of member benefits.

KEY RESULT AREA 3: EDUCATION & TRAINING

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
Build a strong system of recruitment from all sources to develop coaches and officials.	• Expansion of the Instructor Date Base to provide access information for Queensland Canoeing communication is ongoing
Increase and develop a pool of coaches and officials	• Queensland Canoeing conducted two accredited coaching courses in 2006 for 18 level 1 coaches. The Courses were facilitated by John Newton • Queensland Canoeing conducted a Marathon Officials course held at the offices of Queensland Canoeing and facilitated by Jerry Dunn qualifying 5 Marathon Officials.
Provide a professional standard of delivery by Coaches, Officials and Instructors.	
Develop and enhance network of Instructors and assessors so that all participants particularly in regional areas can access a local canoeing assessor	• Queensland Canoeing have developed a closer relationship with the Instructors and lifeguard qualified members. • Instructors are regularly employed by Queensland Canoeing to facilitate Community Programs. • Clubs are encouraged to develop a link to skills programs utilising the Instructor networks within the club
Provide a safe and enjoyable environment	• All activities and programs have qualified persons running them.

KEY RESULT AREA 4: PARTICIPATION & ATHLETE DEVELOPMENT

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
Adopt, implement and enforce anti doping policies, rules and programs that conform to and comply with the AC anti doping policy	• Queensland Canoeing have complied with all measures to support the ASADA in it's work to stop illegal use of drugs in sport. Queensland Canoeing provide full information to each person selected in state teams. • Queensland Canoeing provides a link via the Queensland Canoeing website and information is displayed at the office
Nurture and develop the state youth program	• Queensland Canoeing have strengthened the relationship with QAS and the AIS programs providing a greater in formation stream to the club network with a view to Junior Squad programs • 2006 has seen a great deal of national and international success in Flatwater and Marathon Racing • The Technical Racing committee have been active in providing increased opportunities for selected paddlers to access additional professional training
Provide opportunities for all levels of participation in canoeing activities	• The Racing Technical Committee provides assistance to clubs for running sanctioned events. A racing booklet is also being implemented and as been taken well by clubs.
	• Recreational activities are conducted each season for councils, government bodies, schools and general community. Clubs are encouraged and contacted to assist where possible.
Facilities provided to opportunities for improved assess to facilities and waterways.	• Queensland Canoeing have accepted a comprehensive paddling trail list and details in the Fraser Coast region from Keith Bromham of Maryborough Canoe Club • Queensland Canoeing have provided information and advice regarding the access to Lake McDonald in the Noosa region. This project including a pontoon will commence in the second half of 2007. • Varsity Lakes venue will be the host location for a 3 round series of Queensland Schools Flatwater Racing. These will be the lead up races for the Queensland Schools Flatwater Championships for 2007

KEY RESULT AREA 5: MEMBERSHIP SERVICES

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
Recognise the valuable contribution of Volunteers	• Continued provision for "Volunteer of the Year"Award at the Annual Awards Dinner. • Promotion of the Coach of the Year Award for 2007

KEY RESULT AREA 6: MARKETING & PROMOTION

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
To increase the awareness of Canoeing and encourage the registration of new members to affiliated clubs	• Each Community Program Instructor have a quantity of Club Flyers showing the disciplines on the front and club contacts on the rear • All Community Program participants will receive club information in the mail following up on the activities • Where possible, clubs have been informed of the community activity or program in there area and are encouraged to come down and introduce themselves at the end of the program. They are not asked to help as qualified instructors are appointed. It is an opportunity to engender interest from new and enthusiastic paddlers to join a club. • An increase in publicity associated with events and community programs. Stories on Totally Wild, Courier Mail, Queensland Times, The Great South East and the Saturday Afternoon programs assisted in the increased exposure and profile. • A graduating Media and PR person has been appointed to the organisation on a no fee basis to assist with the BV100, Sponsorship generation and further increase the media profile of canoeing. • Queensland Canoeing gained exposure by setting up a Marquee display at the Lexmark Indy 300 Schools Thursday, the Anaconda Adventure Race at the Gold Coast, the Active and Healthy After Schools Expo and the ACHPER Conference • Queensland Canoeing have partnered with the Wallaby River Rats, Travelworld and Best Western to offer White Water Experience tours on the Mitchell River in Northern Queensland

Fun on the Water - RAW Program 2006

KEY RESULT AREA 7: GOVERNANCE & OPERATIONS

WHAT WE SAID WE WOULD DO -	WHAT WE DID DO AND WILL CONTINUE TO DO -
To foster good governance for Queensland Canoeing	• Queensland Canoeing struggled to form a full board and was successful to attract two invitees in the second quarter of 2006. • The Mid Year Meeting was held as an informative update to the activities of Queensland Canoeing and to affirm the increase in benefits and services to the members • Only a Technical Racing Committee of one person and Canoe Polo committee existed in real terms with reports from the Canoe Polo Committee received regularly • Queensland Canoeing struggled to form a full board and was successful to attract to invitees in the second quarter of 2006.
Ensure sustainable operational performance and good financial management practices.	• New Insurance coverage adopted by Australian Canoeing in 2006. This now included Instructors and has a wider scope of coverage • Queensland Canoeing embarked in a program of business development and enhancement in 2006 which will continue in 2007. This includes building on the strength we have in Community Programs, Schools based activities and promotional opportunities. • Queensland Canoeing will continue to grow its partnership/sponsorship base offering more benefits and reduced cost to access canoeing activities in 2007 • Budget review at each monthly staff meeting to review performances of individual business units • Queensland Canoeing have put in place strategies to arrest a reduction in completed Education Programs. • In keeping with a best practice chart of accounts, we maintain a thorough understanding of the financial performance of the organisation through constant contact with the auditor and Rachel Thomas's daily maintenance

THANK YOU FOR THE CONTINUED SUPPORT OF
